6. Assessment Criteria, Project Appraisal and Scoring – Stage 2 Scoring

All applications passing Stage 1 Basic Eligibility check, will proceed to a "Full Project Appraisal and Scoring" carried out using the following criteria, process and scoring system. The assessment panel then makes a recommendation to the Council for consideration/ approval.

All eligible applications will be assessed against the pre-set criteria agreed by Council. All applications will be scored out of 100 (weighted final score). An application must score a minimum of 50% under Programme and Priority Criteria and Efficiency and Effectiveness criteria as well as under the cross-cutting themes before it can be considered for funding. Projects under 50% will not be recommended for support.

However, a score equivalent to 50% or above will not necessarily guarantee funding as applications will be scored and ranked with funding available awarded to the highest ranked

projects. Thereafter a project may be reconsidered, and allocated funding should it become available at a later date.

For consistency and to facilitate efficient assessment the following approach has been adopted to scoring against the following criteria:

Question (as per application)	Criterion	Maximum	Weighting	Weighted Final Score
	Council & Programme or Service Area.			
Clearly identify how the proposed project will complement the specific programme applied under?	Fit with the programme or service area being applied for	5	x 3	15
Clearly identify how the proposed project will complement Newry, Mourne and Down Council Strategic Priorities?	Fit with the Council's overall Strategic priorities	5	x 2	10
Outline the outcomes and benefits of your project for the local community. Provide targets e.g. numbers participating, number of events etc?	Impact on the local community	5	x 3	15
	Efficiency / effectiveness / Need			
Outcomes and Benefit and project budget are considered.	Value for money and	5	x 2	10
What need is being met by this project?	Need	5	x 2	10
How did you establish this need?	Establishment of Need	5	X2	10
	Cross cutting themes			

How will the project improve equality of opportunity and good relations? Please detail what actions will be undertaken which will contribute to improvement of equality of opportunity and good relations?	Equality of opportunity/Good relations	5	x 3	15
How will the project be sustained if necessary beyond the period over which the funding is being sought. Please outline any likely sustainable benefits which will occur through the delivery of this project?	Sustainability	5	x 3	15

In addition the following scoring system will be used by the panel to ascertain the scores for the criteria above:

Link at project level	Link to Criterion	How evident	Score
The project proposal does not demonstrate that it has the capacity to deliver basic project outcomes that would be expected in order to be awarded funding.	The application does not meet the basic standard under this criterion	Not evident	0
The project proposal demonstrates some ability to deliver key outcomes in some areas but overall it is below the standard expected in order to be awarded funding.	The application met some of the basic requirements of this criterion.	Less evident	1
The project proposal demonstrates an ability to deliver project outcomes to an acceptable standard and it may be considered suitable for funding.	The application met the requirements of this criterion.	Evident	2
The project proposal is strong in the manner in which it has been described with a range of activities that will result in good outputs and the achievement of outcomes.	The application is strong in the requirements of this criterion.	Very Evident	3

The project proposal is strong as the activities described will result in good outputs and the achievement of outcomes.	The application was an excellent fit with the requirement of this criterion.	Strongly evident	4
The project proposal fully complies with the outputs and achievement of the outcome	The project fully met the requirements of this criterion.	Highly evident	5

7. What Happens Next?

Once your application is submitted it will enter Council's assessment process. The system will not allow applications to be submitted after the closing time. There will be no right of appeal.

The system will not allow an application to proceed if it does not meet the eligibility criteria. An application not meeting the eligibility criteria at this stage will automatically be rejected and will not be subject to appeal.

The application will then proceed to the assessment process. This will involve the following steps:

- An Assessment Panel consisting of Council officers will be set up to consider applications for each programme. Your application will go to the panel responsible for the programme for which you have applied for.
- The panel will consider the eligibility of the programme against the specific programme criteria. Failure to meet this requirement will result in rejection and will not be subject to appeal.
- Eligible applications will be assessed against the criteria for the programme concerned.
- If the application meets the minimum threshold it will pass to the next stage. If not, it will be rejected.
- Council will consider the scores of all of the applications for the particular programme and will place these in order.
- Depending on the amount of funding available applicants will be funded in order of their score, with higher scoring applications funded first. On occasion, and at its discretion, Council may decide to fund more applications at a lower overall level, spreading the funding across a wider number of applications.
- The assessment process carried out by the Officer Panel will be checked and ratified by senior officers.
- Recommendations will be made to the Active and Healthy Communities Committee who will be responsible for ratifying the overall assessment. Applicants will be recommended for funding based on their score and a Score and Rank system will be implemented.
- The Committee will make recommendations to full Council.
- Applicants will be informed of the outcome of Council's decision.

You will receive one of four outcomes from the application and assessment process:

- **A Rejection** – Your application will automatically be rejected if:
 - It is incomplete.
 - It fails to provide the necessary detail.
 - It has not been signed appropriately/incomplete online declaration.
 - Or it has passed the online eligibility criteria due to incorrect completion but does not meet the Basic Eligibility criteria.
 - An application may also be rejected at the second stage if it fails to meet the eligibility criteria for the individual programme.

- **Unsuccessful** – if your application fails to meet the necessary threshold score for support under the individual programme you will be informed that you have been unsuccessful.

- **Score and Rank** - a score equivalent to 50% or above will not necessarily guarantee funding as applications will be scored and ranked with funding available awarded to the highest ranked projects. Thereafter a project may be reconsidered, and allocated funding should it become available at a later date.

- **A Letter of Offer** – if your application is successful you will receive a Letter of Offer. This will set out the specific requirements associated with financial assistance and any special conditions. It will describe the information you will have to submit with a claim for funding. It will not constitute a formal funding agreement until these conditions have been agreed and the Letter of Offer accepted in full in writing by your organisation.

8. Appeals

Where an application has been rejected for reasons of incomplete information, failure to sign the application/complete the declaration, or ineligibility, there will be no right of appeal. However, where an application is unsuccessful after the full assessment process appeals can be made to Council on the following basis:

- The outcome was a decision that no reasonable person would have made on the basis of information provided to the Financial Assistance Assessment Panel
- That Council's stated policy or procedures had not been followed and led to a materially different decision.

Should you wish to submit an appeal this must be done as follows:

- An appeal must be lodged in writing within 10 working days of the date of the rejection letter.
- The appeal should be submitted to the Programmes Unit and proof of receipt obtained.
- The appeal letter must state:
 - The application details including programme applied for, title of project and contact details for
 - the applicant
 - The grounds on which an appeal is being made

- Any evidence the applicant believes the review process should consider which supports the
- view that one of the two bases for an appeal is justified

The appeal will be reviewed by a designated senior officer who will decide on the appeal.

This could result in several possible outcomes including:

- Reassessment of the application based on eligibility
- Rescoring of the application
- If the appeal is upheld an appropriate Letter of Offer will be issued as for a successful application.
- If the appeal is not successful, the applicant will be informed and the reasons for the rejection explained.
